Case No. 2:15-cv-02143-RFB-CWH

ORDER

13 Presently before the court is Plaintiff Victor Tagle's Motion for Court's Intervention Under
14 42 U.S.C. § 1985 Conspiracy (ECF No. 116), filed on October 13, 2017.

15 At the hearing on September 29, 2017, the court ordered Plaintiff to refrain from filing any
16 further motions in this case until the court enters a decision on the forthcoming motion to dismiss,
17 except that "Plaintiff may file a motion if necessary to address issues of his physical safety or
18 health." (Mins of Proceedings (ECF No. 110).) Plaintiff now requests the court's intervention in
19 stopping "harassment, physical abuse, [] threats . . . and neglect of medical service." (Mot. (ECF
20 No. 116) at 1.) Plaintiff further states that his "mouth's full of blisters with puss [and] guards
21 continue their assaults on [him]." *Id.* Plaintiff does not provide any additional details regarding
22 these issues. Based on the limited information provided in the motion, the court is unable to
23 evaluate whether Plaintiff is entitled to some form of relief. The court therefore denies the motion
24 without prejudice.

25 IT IS SO ORDERED.
